

## Key points of Learning for 7 month intensive Crystal Healing Practitioner Certificate with Crystal Heart School of Crystal Healing

Emphasis is placed upon self healing and self reflection throughout the course. Students need to complete all homework and case studies and pass the practical assessment to complete the course successfully. Each month of learning has a particular energetic theme and there will be self healing and meditation upon that. Keeping a personal journal is encouraged.

- Working with 25 essential crystals
- Basis of energy healing - holding space, observation, right/appropriate action, energy input and release, safe and effective crystal healing techniques.
- Subtle bodies - a theoretical and practical knowledge of the aura and layers. Practical and theoretical knowledge of the chakras and how the subtle bodies network and inter-act energetically.
- Creating sacred space
- Grounding and the Healing crisis
- Contraindications to crystal healing
- Code of conduct for practice
- The nature of disease and its impact on the subtle bodies
- Bringing Light into the body - our multidimensional nature
- Crystallography - parts 1 2 and 3 covering all simple aspects of geology from a crystal healing perspective.
- Self healing
- Using crystal wands
- The Healing vibrations of Colour and of sound
- Using crystal grids and sacred geometry
- Creating and using crystal elixirs and gem essences
- Using Flowers in healing practice
- Relationship between chakras

- Complementary colours and how they work energetically
- The three energy stars/portals within the body
- Distance healing - theory and practice
- Focus on the heart as a gateway and the higher heart.
- The nature of the Soul and how the chakras interact on a multi-dimensional level.
- DNA and Light Codes for healing.

These are key points of learning. The tutor may change this slightly if the need arises. The course is certificated and accredited by Crystal Heart Community which upholds firm comprehensive training standards for crystal and energy healing. Adhering to a code of conduct and core curriculum.
